MRAC FEBRUARY MEETING drew a full house. Ed wille W9PWG explained satellite reception and demonstrated his talk with a huge trailer monted dish and a van full of gear. Piped the signal to a TV monitor in the hall, and showed us twenty channels of TV pictures with a flip of a switch by his assistant out in the van! We thank the Wauwatosa Police Department for their cooperation in preparing a 'no-parking' zone for the vehicles. Thanks, Ed, a great show.
